Curriculum:

In Advanced Camp we will spend the week preparing a solo, duo, or ensemble act for presentation to friends and family! After an acrobatic warm-up, students will be learning new skills and developing sequences in a discipline of their choice, and spending the afternoons developing their dance or theater skills. Students will be expected to work hard both with a coach and independently on technical and creative assignments in small groups, solos, and as a large group.

We will spend some time each day refining our dance and theater skills as well, as they are critical parts of the development of any circus artist.
